Eat the Weeds

A Forager's Guide to Identifying and Harvesting 295 Wild Foods

Deane Jordan

"Green Deane" Jordan teaches foraging classes and also runs a popular foraging website (also called Eat the Weeds). Now he's sharing his expertise with you. *Eat the Weeds* presents 295 wild edibles and helps you to find, identify, and harvest them. Each entry includes an introduction to the plant and recommended methods for preparing it, as well as its nutritional information. Yes, nearly every featured wild edible includes a full nutrition table! Color photos and visual descriptions assist you in field identification.

PUB DATE: OCTOBER 2023

About the Author

"Green Deane" Jordan is the author of many articles and three books. His hobbies include gardening, cooking, collecting cast iron cookware, dancing, canoeing, public speaking, kayaking, cast netting, fishing, biking, hiking in Greece whenever possible, and, of course, foraging for wild foods and other unusual edibles. He is perhaps best known for his popular foraging website, Eat the Weeds.

The William Nealy Collection

William Nealy was a creator-turned-cult-hero who wrote 10 books for Menasha Ridge Press from 1982 to 2000. His humorous hand-drawn cartoons and illustrated river maps helped him achieve cult-hero status. The William Nealy Collection presents the celebrated works of this wild, gentle, brilliant artist, who focused much of his craft on his most beloved extreme sports: mountain biking, paddling, inline skating, and downhill skiing. **AVAILABLE NOW**
