About AdventureKEEN

AdventureKEEN is an independent publisher of nature and outdoor-activity books. Our company's founding dates back more than 40 years, guided then and now by our love of being in the woods and on the water, by our passion for reading, and by the senses of wonder and discovery that come from spending time outdoors in beautiful places.

It is our mission to share that wonder and the many opportunities for fun with our readers, especially with those who haven't yet experienced all the physical and mental-health benefits that nature and outdoor activity can bring to anyone.

In addition, we strive to teach others about recreating responsibly, so the natural resources and habitats that we cherish and rely upon will be available for future generations to enjoy.

We are a small team, deeply rooted in the places we live and work. We have been shaped by our communities—primarily Birmingham, Alabama; Cambridge, Minnesota; and Cincinnati, Ohio. Drawing upon our staff's decades of experience and our awareness of the industry, the marketplace, and the world at large, we have shaped a unique vision and mission for a company that serves our readers, our authors, and the environment.

We hope to meet you out on the trail some day. Until then, if you wish to contact us, please reach out any time.

Regional books are profitable

Statistically speaking, regional books have extremely low return rates and high customer satisfaction. To put it simply, AdventureKEEN creates products that customers want. So you get to spend more time selling and less time worrying about slow-moving items on your shelves. Regional books succeed by providing specific information to each market about its own area. We publish books about the birds, parks, trees, and hikes in your town. Those are grassroots winners!

Regional books are often quiet best-sellers. These titles routinely yield four, five, or six turns per year. That favorably stands up to or exceeds every other category. It's nice to have easy, obvious, low-maintenance books that sell and sell and sell by themselves.

Regional books give independent stores a way to highlight the fact that, yes, you are local. The presence of regional titles tells customers that you're plugged in to what they care about in your community. Every connection you make is another potential customer. Regional books provide opportunities to make such connections by providing a sense of place and by celebrating the local environment. When passersby see your regional titles on display, they stop and browse—the first step toward becoming your loyal customers.

The generous flowers happily offer Horatio some of their seeds, so Horatio eats and eats. He doesn’t stop until just one sunflower seed remains. What will Horatio find when he returns to the field next year? How will he make amends for the harm he has caused?

Dr. Karra to the Rescue

Healing Injured Animals with a Wildlife Veterinarian

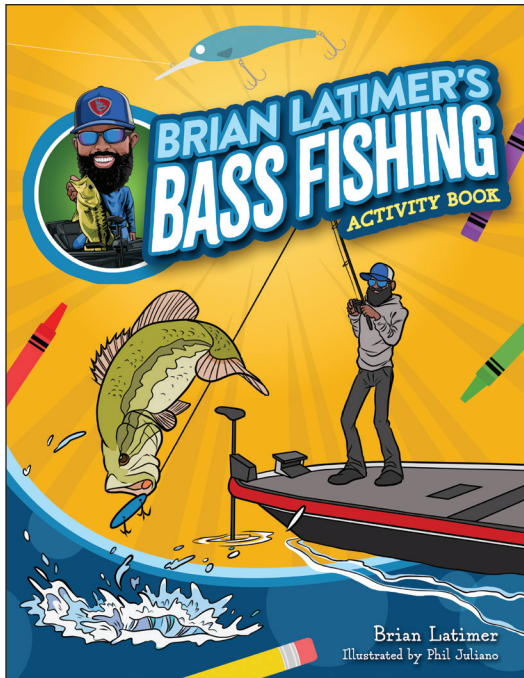

CHRISTY GOVE

Meet Dr. Karra, a wildlife veterinarian from the Wildlife Center of Virginia (WCV), and follow her through an action-packed day. Written by acclaimed author Christy Gove, *Dr. Karra to the Rescue* is a children's book that reads like a medical drama—except all the patients are wild animals. Join Dr. Karra and her team as they treat five different critters. Every account is based on a true story of an actual patient at the animal hospital. In fact, most of the photographs in this book were provided by the WCV. If your child loves animals, dreams of becoming a veterinarian, or enjoys real-life stories, this picture book is both entertaining and educational.

CHRISTY GOVE

Christy is the author of six books, including five books for children. Her first book, *Esther the Eaglet*, was inspired by an eagle rescue that took place at her parents' cabin. From that experience, she learned about the unique and important work done by wildlife rehabilitation hospitals. The experience inspired her to research and write about more animal rescue stories. Christy lives just outside Minnesota's Twin Cities.
